NOTIFICATIONS.

No. 597P.H.—29th March 1944.—Rai S. N. Roy Bahadur, B.E., A.M.I.E. (Ind.), Executive Engineer, Eastern Division, Public Health, is temporarily appointed to act as Chief Engineer, Public Health, Bengal, with effect from 1st April 1944, until further order.

Mymensingh.—No. 595P.H.—29th March 1944.—Whereas the Governor is satisfied that the municipalities of Mymensingh, Muktagacha, Gouripur, Jamalpur, Sherpur, Kishoreganj, Bajitpur, Netrakona and Tangail in the district of Mymensingh are threatened with an outbreak of cholera:

Now, therefore, in exercise of the power conferred by section 2A, read with sub-section (*1*) of section 2 of the Epidemic Diseases Act, 1897 (Act III of 1897), the Governor is pleased to prescribe the following temporary regulations for the prevention and control of cholera, and for the medical inspection, isolation, observation and surveillance of persons suffering from, or suspected of being infected with, cholera in those municipalities, for a period of three months:—

Temporary regulations for the prevention and control of cholera.

1. In these regulations, unless there is anything repugnant in the subject or context:—

(*a*) "Health Officer" means the Health Officer of the municipality;

(*b*) "Sanitary Inspector" means a Sanitary Inspector appointed by the municipality;

(*c*) "suspected cholera" means any disease accompanied by vomiting and diarrhœa;

Notices.

3. If in any case the Health Officer or a Sanitary Inspector considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of cholera he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

4. If any measure which the Health Officer or a Sanitary Inspector has, by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the Health Officer or a Sanitary Inspector shall be entitled to carry out the measure.

Costs and compensation.

5. (*1*) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the municipality except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by that person:

Provided that where the conditions, which led the Health Officer or a Sanitary Inspector to pass such an order, are not attributable to any act or default of the persons in possession of the property, the municipality may pay to such person the whole or a part of expenses incurred by him in carrying out the order.

(2) The municipality may recover all expenses incurred by the Health Officer or a Sanitary Inspector in carrying out the measure under regulation 4 from the person or persons to whom the notice was originally issued.

6. The municipality shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

Provided that no person shall receive any compensation for anything done or suffered under these regulations, if he has failed to carry out an order issued under these regulations within the time specified in the order and to the satisfaction of the Health Officer or a Sanitary Inspector.

(2) The doctor-in-charge of a hospital or a dispensary within the municipality shall forthwith give notice of any case of cholera brought to such hospital or dispensary for treatment to the Health Officer or a Sanitary Inspector by a special messenger and the cost of such messenger in each case shall be defrayed by the municipality.

He shall not direct the patient to be removed from the house unless it is in his opinion impossible to make proper arrangements for his isolation therein.

12. The Health Officer or a Sanitary Inspector may order that any person, who has in his opinion been exposed to infection from cholera, shall take such drugs in such quantities as may be specified by the Health Officer or a Sanitary Inspector or shall submit himself to anti-cholera inoculation within a time to be specified in the order.

13. No person shall enter any place wherein a patient is isolated under regulation 11 without the permission of the Health Officer or a Sanitary Inspector.

14. The municipality shall provide free of charge suitable places, with necessary attendants, medicine, diet and other necessaries for persons isolated under regulation 11: Provided that a private individual may provide places certified by the Health Officer or a Sanitary Inspector as being fit for the purpose of such isolation.

14A. If it is not possible for the municipal commissioners to provide suitable places with necessary attendants, diet and other necessaries for isolation of the patient or if satisfactory arrangement for such isolation is not also possible in the house where the patient is staying, the patient shall be sent, under proper sanitary precautions, to the hospital within or outside the nearest municipality where there is suitable arrangement for isolation.

15. No person, who is or has been suffering from cholera, shall leave the place where he has been staying until he has received from the Health Officer or a Sanitary Inspector written permission to do so.

(2) The Health Officer or a Sanitary Inspector may require such owner or occupier to keep closed during such a period as shall be specified in the order any well, tank, pool or other sources of water-supply closed under paragraph (1) of this regulation.

The Health Officer or a Sanitary Inspector may, by an order published at such places as he may think fit, set apart any well, tank, part of a river, stream or channel not being private property, or being private property with the consent of the owner, for the supply of water for drinking or culinary purposes and may prohibit therein or within a distance therefrom to be stated in the order all bathing, washing of clothes or animals, or other acts calculated to pollute the water; and may similarly set apart any well, tank, part of a river, stream or channel for the purpose of bathing or for the purpose of washing animals or clothes or for any other purpose connected with the health and cleanliness of the people using such water-supply.

24. 29. The Health Officer or a Sanitary Inspector may require the owner or occupier of any land to clear and remove, within the period specified in the order, any vegetation upon such land the existence of which in the opinion of the said officer or inspector conduces to the committing or nuisances upon such land.

(*a*) Chapter XXXIII (page 535):

(*i*) The existing rules 2 to 26 shall be rescinded and in lieu thereof the following rules shall be adopted:—

2. Matters relating to (1) service of notice or other processes, (2) preparation of paper-books, and (3) return of documents, shall be dealt with and disposed of by the Registrar.

3. On receipt from the Registrar of the Federal Court of copies of a Petition of Appeal to the Federal Court under rule 6 of Order XI of the Federal Court Rules, the Registrar shall give notice thereof by post or otherwise, to the appellant to the Federal Court (hereinafter referred to as "the appellant"). The Registrar shall also cause a copy of the Petition of Appeal to the Federal Court to be served by registered post or otherwise on each respondent in the Appeal to the Federal Court (hereinafter referred to as "the respondent"), and shall inform the Registrar of the Federal Court of the date on which such service was effected.

4. The appellant shall, within 60 days of the presentation of the Petition of Appeal to the Federal Court or such further period as the Appellate Court may, upon cause shown, allow, deposit with the Registrar, towards defraying the fees and expenses to be incurred in transcribing or preparing and forwarding to the Registrar of the Federal Court the transcript or printed record, the sum of Rs. 400 and such further sum (if any) as may be subsequently required by the Registrar.

5. Where a dispute between the parties as to valuation has been referred by the Federal Court to this Court for report the time allowed for depositing the amount mentioned in rule 4 may be reckoned either as 60 days from the date of the presentation of the appeal to the Federal Court or as 30 days from the date of the report on the question of valuation, whichever is longer; provided that the Appellate Court may extend the time for good cause.

6. When any further sum is required for the purposes mentioned in the preceding rules the Appellate Court may direct the appellant to deposit the required amount within a time to be fixed by it.

7. The appellant, at the time the deposit under rule 4 or rule 5 or any further deposit under rule 6 is required, may apply to the Registrar for an estimate of the fees and expenses in the said rules mentioned. Such estimate shall be prepared and

shall include the fees and expenses therein specified. The appellant shall be entitled to be heard by the Appellate Court on any objection he may make to the estimate but shall not delay the making of the deposit or further deposit.

8. The record shall be prepared and printed in such manner as may from time to time be directed by the Federal Court and in the absence of such direction in accordance with rules 11 to 18 of Chapter XXXII.

9. (*b*) the Registrar, as well as the parties and their agents, shall endeavour to exclude from the record all documents (more particularly such as are merely formal) that are not relevant to the subject-matter of the Appeal, and, generally to reduce the bulk of the record as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of heading and other formal parts of documents but the documents omitted to be printed shall be enumerated in a typewritten list to be transmitted with the record.

10. Where the decision of the Appeal is likely to turn exclusively on a question of law, the appellant may, with the sanction of the Appellate Court, print such parts only of the record as may be necessary for the discussion of the same.

11. When the record has been made ready, the Registrar shall—

(1) give notice thereof to the parties;

(2) transmit to the Registrar of the Federal Court 12 copies of the printed record one of which shall be certified to be correct; and

(3) give to the parties one or more copies of the printed record on their applying therefor and paying such charges, if any, as may be prescribed by this Court.

12. In case any original documents or exhibits are required to be transmitted with the printed record, application for an order to the Registrar to transmit such documents may be made to the Appellate Court.

13. After the despatch of the printed record to the Registrar of the Federal Court, the actual cost of and in connection with the same shall be ascertained and any balance remaining in the hands of the Registrar shall be refunded to the appellant.

14. Notice that the printed record has been made ready shall be issued by the Registrar or other proper officer for service on the parties, and shall be served by registered post or otherwise and an intimation of the date of such service shall be given to the Registrar of the Federal Court.

15. After the despatch of the printed record the Registrar shall, upon satisfactory proof of service (*a*) of the Petition of Appeal on the respondent, and (*b*) of the notice to the parties that the record has been made ready, prepare and sign and forward by post without delay, to the Registrar of the Federal Court, a certificate as to due service thereof.

16. Any appeal in which steps have not been taken within the time prescribed by these rules, or such extended time as may have been allowed, shall be placed on the list before the Appellate Court on notice to the appellant and the respondent for orders to report the default to the Federal Court.

17. For the purpose of the rules in this Chapter, the word "Registrar" includes the Deputy Registrar.

18. In these rules the words "appellant" and "respondent" shall mean and include their respective attornies on record, if any.

19. Where a reference as to valuation of the Suit and of the Appeal is made by the Federal Court to this Court the Registrar shall give notice to the parties of the date of the hearing thereof by the Appellate Court which shall either itself deal with the questions referred or refer them for report to the trial Court. The findings on the question of valuation referred by the Federal Court shall be drawn up as a report and filed and a copy thereof together with copies of the evidence produced at the hearing shall be forwarded by the Registrar to the Federal Court.

20. The preceding rules shall, with necessary modifications and adaptations, apply to Appeals to the Federal Court in Criminal cases.

(*ii*) The existing rule 27 shall be renumbered as No. 21.

(*b*) Appendix L (page 725):

Form No. 4 shall be deleted. The second Form No. 2 shall be renumbered as Form No. 3 and the Form No. 3 as Form No. 4.

It is ordered by the High Court of Judicature at Fort William in Bengal that with effect from the 1st day of May, 1944, the amendments hereinafter set forth be made in Chapter XXXVII-A of the Rules of the High Court, Original Side, 1914 (4th Edition):

(1) *After* rule 2, *insert* the following new rule as rule 2A:—

"The transcript of the shorthand note shall be submitted to the Judge by the shorthand writer who took the same. In the case of the charge to the jury, the Judge after making such corrections as may be necessary shall certify that the transcript represents substantially what he told the jury. In the case of any other part of the shorthand note errors in the transcript shall be corrected by the Judge ordinarily in the presence of Counsel on both sides."

(2) At the beginning of rule 3 (before the words "The shorthand writer shall sign, etc.") *insert* the words "After the transcript has been corrected as provided in rule 2A" and for the capital "T" of the word "The" which begins the existing rule, a small "t" will be *substituted*.

(3) In rule 5 for the words "taken by himself or of the shorthand note purporting to have been taken, signed and certified by the shorthand writer or writers who took the same" *substitute* the words "as required by these rules."

(4) In rule 6 *after* the words "any part of the shorthand note" in lines 4 and 5, *add* the words "prepared and certified in accordance with these rules."

By order of the Full Court,
